

# Long-Term Boundary

- Ø What lands advance the mission of the park? Either through acquisition **OR** cooperative management with:
  - Another public agency
  - Conservation organization
  - Private landowners
- Ø What agency-owned properties may be appropriate for disposal.

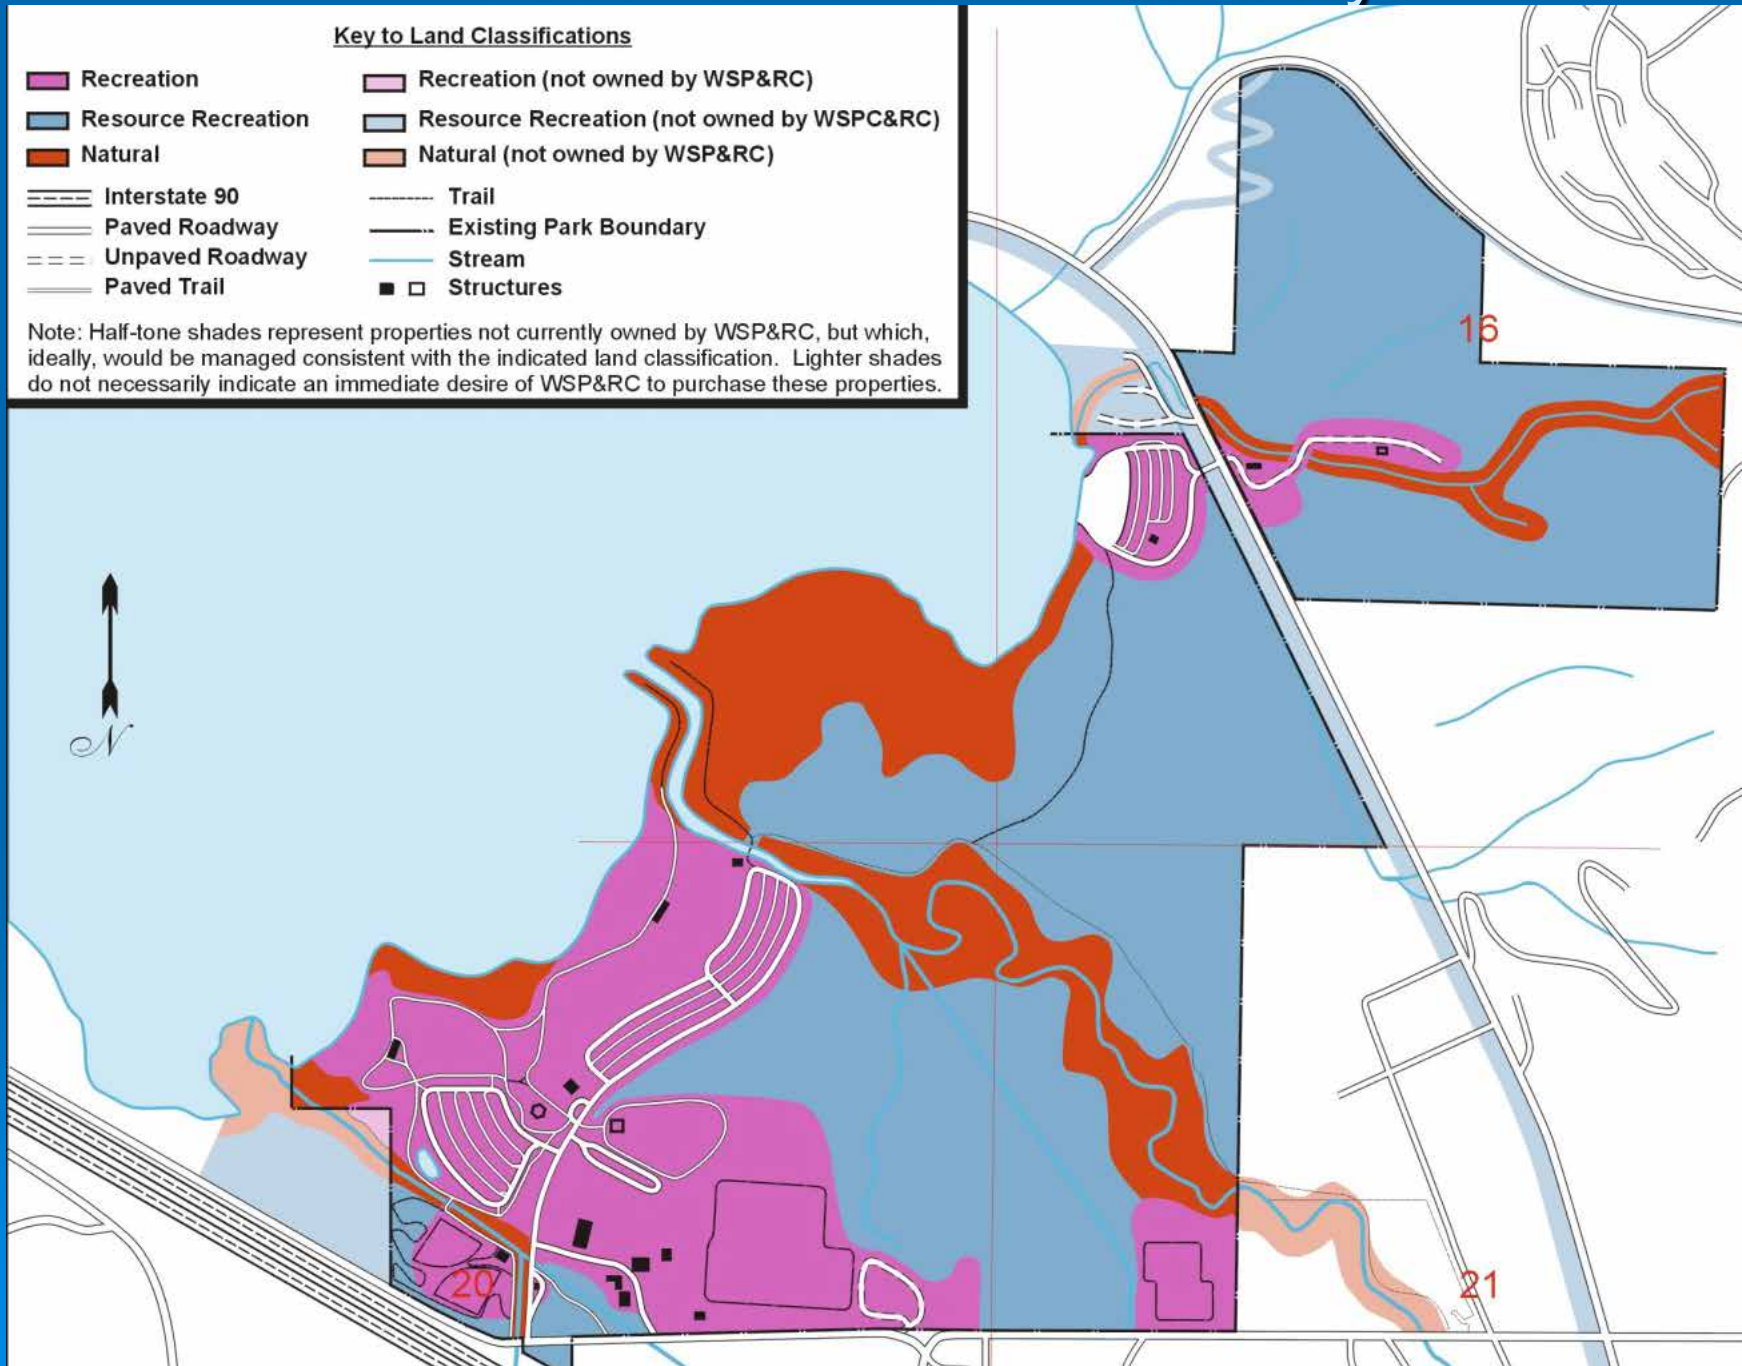

# Classification and Boundary

## Key to Land Classifications

- |   |   |
|---|---|
|  Recreation          |  Recreation (not owned by WSP&RC)          |
|  Resource Recreation |  Resource Recreation (not owned by WSP&RC) |
|  Natural             |  Natural (not owned by WSP&RC)             |
|  Interstate 90       |  Trail                                     |
|  Paved Roadway       |  Existing Park Boundary                    |
|  Unpaved Roadway     |  Stream                                    |
|  Paved Trail         |  Structures                                |

Note: Half-tone shades represent properties not currently owned by WSP&RC, but which, ideally, would be managed consistent with the indicated land classification. Lighter shades do not necessarily indicate an immediate desire of WSP&RC to purchase these properties.
